

# RJ RELIANCE: **ANALYTICS** - POWERED PROBLEM SOLVERS

Let our team of payroll experts streamline and simplify your processes leveraging our experience and automation to improve accuracy and compliance.

## **PAYROLL TAX CONSULTING:**

- Partner with your payroll processing company and staff to correct previous filings, W-2C and amendments
- Work with agencies to reduce or eliminate penalties and interest for late/non-payments
- Set up tax notice tracker for quick visibility on all notices, resolution and payments/refunds
- Registration services

## **AUDIT REPORTING:**

- Create audit reports to: eliminate payroll errors, overpayments, underpayments etc using ADPR, Crystal, and other industry tools
- Proven track record of using auditing tools to drive accuracy
- SOX compliance audits
- State and local tax compliance

## **PROCESS DOCUMENTATION:**

- Shadow payroll team to create current state process documentation
- Make recommendations on process improvements
- Automate manual processes
- Reduce man hours through automation

## **STAFF AUGMENTATION:**

- We work as partners to serve clients' greatest needs
- Payroll managers can step in, assess what is needed and keep payroll processing
- Payroll administrators backfill staff support to augment a busy team
